/David Victor/
David W. Victor

AMENDMENT SUBMITTED CONCURRENTLY WITH A REQUEST FOR CONTINUED EXAMINATION (RCE)

This Amendment is submitted concurrently with a Request for Continued Examination (RCE) and in response to a final office action in the above case dated November 26, 2007 ("FOA2") in which the Examiner rejected all the claims as obvious (35 U.S.C. §103) over cited art. Applicant amend the claims to further distinguish over the cited art and traverse the prior art rejections, and further cancel all non-method claims 14-35. Applicants submit that all pending claims 1-35 are in condition for allowance and patentable over the cited art for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 6.
